Just send us ([comments@jazzerainious.com](mailto:comments@jazzerainious.com)) an attached file that is an mp3, mp4, or other recording file type with you saying one of the following:

1. This is [Your first name (optional)] and you're listening to Jazzerainious.
2. This is [Your first name (optional)] and guess what, your listening to Jazzerainious.
3. This is [Your first name (optional)] and thank you for listening to Jazzerainious.
4. This is [Your first name (optional)] and the best is yet to come, on Jazzerainious.
5. This is [Your first name (optional)] and the best on the planet is Jazzerainious.

Or if you like, send us a file for each one. Once checked, we will put them on Jazzerainious to be heard. The optional is you can just say your first name, first and last name, a user name or just say "This is" then the back portion of the sentence (everything after the and). You can do it as an individual or a group. There is no age limit so send us your DJ voice for Jazzerainious and hear yourself over the Internet.
