
Marilyn Ladd- Simmon

Marilyn was one of the kindness souls you ever met. Her kindness was overflowing at the Cleveland Institute of Arts. Many felt enjoyment and comfort working with her. Like most in life there were the G.G.C (The Great, The Good and the Challenging) times. She took it like a soldier and was joyful to the end. Our Heavenly Father called her on May 23, 2021. She leaves a host of family and friends who hold her dear in memory.
